

**Miss Patti's School of Dance**

**Friday March 13.** Effective immediately, the dance school will be closed today through March 29, and unless given notice otherwise, if conditions permit, will reopen for classes on Monday, March 30.

To help offset this period of reprieve, and again conditions permitting, the dance school will be open and classes held the week of April 6 which otherwise would have been our 'Spring Break' week.

Parents' observation which would have taken place next week will not be rescheduled.

Recital ticket sales which had been scheduled for March 21 and March 28 are cancelled. At a later date, subject to how things are going with the virus, notice will be given rescheduling the ticket sale dates, or other option.

We are continuing our preparations for the dance recital and hope we can all move forward confidently to celebrate our May 16 & 17 recital shows.

We join all families in hoping for the very best health for everyone during this crisis.

**Patti & Darryl**
